## **UNDERSTANDING YAG CLASSIFICATION SYSTEM**

The YAG Library seeks to provide sufficient and up-to-date resources to facilitate legal research in the law firm.

The YAG Library Classification has been carefully created to provide an easy-to-use cataloguing system for users of the main Library. This was carefully fashioned differently from the library of congress and Moy classification system in order to make the tracking of books very convenient to any user with no difficulties whatsoever.

The Electronic-Catalogue allows users to search and locate the library's collections. The library has wide-range materials covering both legal and non-legal topics. The classification system uses codes to distinguish the topic or subject of books in the library.

For instance, all materials on corporate law are labelled under the code 'Y/CL' and they can be found under Shelf 1, Section A. Books are then arranged sequentially with the first book on Corporate Law starting from 0001.

**In the above example, 'Y' stands for 'YAG' and 'CL' means Corporate Law.**

The Catalogue will give the users information they need to locate a print item on the library shelves. The catalogue can also be used to identify, track books that has been borrowed or missing from the library and to return books to the shelves.

The library electronic-catalogue is found on [www.yemiakinseyegeorge.com/library](http://www.yemiakinseyegeorge.com/library)

For comprehensive searches for books in your subject area, we recommend that you use the appropriate section of the shelf listed on your subjects' pages as underlisted.

### **The Topics and the YAG Codes**

Below, about 100 thematic areas have been represented with codes and arranged on 10 shelves. At the library, each shelf has also been labelled at each end to assist library users in locating a book of their choice.

## USER MANUAL (HOW TO USE THE E-CATALOGUE)

Books can be located on the shelves by searching the e-catalogue through the use of **Keywords**.

The **keyword** is any word that can be found either in the book title or in the author/publisher's name.

### Steps to locate a book in the library:

- a. Visit [www.yemiakinseyegeorge.com/library](http://www.yemiakinseyegeorge.com/library) and click on the download e-catalogue page.
- b. Download the e-catalogue and open with your pdf reader.
- c. Once the document is opened on your device, press '**ctrl + F**' or '**command + F**' to search the document (If you are using a mobile device, you can click on the search icon to search the catalogue).
- d. Enter your keyword (major word from the book title or the author's name) and click on search.
- e. You may continue to click on the next and previous button until you locate the desired book.
- f. Once you can find a book of your choice, note the section of the shelf where it is located and proceed to the library shelf to get the book.
- g. Please, do not forget to enter the book code and the name of the borrower in the library entry book.

### Case Scenario

Mr. Segun wants to use the YAG Library and desires to get a book on Jurisprudence. He has forgotten the full name of the author but he knows the author's first name to be Funso.

### Action

Mr. Segun should visit [www.yemiakinseyegeorg.com/library](http://www.yemiakinseyegeorg.com/library) to **download** the e-catalogue. He can **open** the catalogue with any pdf reader on his laptop and press '**ctrl + F**' or '**Command + F**' to find a book. He should **enter the keyword** 'jurisprudence' in the search box and click on **search** (or the search icon). He may want to check through all the appearances of jurisprudence in the catalogue by clicking on the next or previous navigation button.

Otherwise, for him to achieve a quicker and more precise search of books written by 'Funso', he may enter the keyword 'Funso' in the search button instead of 'jurisprudence'.

He will find the following:

**Code Number:** Y/J 0002  
**Book Title:** Jurisprudence  
**Author/Publisher:** Funso Adaramola

Y/J is located at Shelf 1 (Section A). The above code Y/J 0002 suggests that the book he is looking for is the second book on the row where jurisprudence materials are located on the section of the shelf. He may proceed to pick up the book and enter his details in the entry book in the library.

## LIBRARY RULES

The YAG Library rules are meant to promote the judicious and fair use of Library materials for the mutual benefit of every member of the law firm:

1. Smoking, eating, drinking and talking loudly are strictly prohibited in the library
2. Readers should not mark, underline, dog-ear, write, tear pages or otherwise damage the library documents.
3. No library material can be taken out of the library without recording in the entry book.
4. Unauthorized removal of anything belonging to the library will be treated as theft and dealt accordingly.
5. **All borrowed books must be returned to the library within two weeks.**
6. Documents taken out of the shelves must be left on the table for the library official to return to its proper place. Replacing the books on shelves is not encouraged as it may get misplaced. Misplaced book is like a lost book which will be very difficult to be tracked by using the coding system.
7. A non-member can request to make use of the library by filling the request form on [www.yemiakinseyegeorge.com/library](http://www.yemiakinseyegeorge.com/library).
